AGONY OF ECZEMA **BEYOND WORDS**

Whole Body a Mass of Raw, Torturing Humor - Hair All Fell Out and Ears Seemed Ready to Drop Off — Clothing Would Stick to Bleeding Flesh — Hoped Death Would End Fearful Suffering.

CASE SEEMED HOPELESS **BUT CUTICURA CURED HER**

"Words cannot describe the terrible eccema I suffered with. It broke out on my head and kept spreading until it covered my whole body. I was almost a solid mass of sores from head to foot. I looked more like a piece of raw beef than a human being. The pain and agony I endured seemed more than I could bear. Blood and pus oozed from the great sore on my scalp, from under my finger nails, and nearly all over my body. My ears were so crusted and swollen I was afraid they would break off. Every hair in my head fell out. I could not sit down, for my clothes would atick to the raw and bleeding flesh, making me cry out from the pain. My family doctor did all he could, but I got worse and worse. My condition was awful. I did not think I could live, and wanted death to come and end my frightful sufferings.

"In this condition my mother-in-law begged me to try the Cuticura Remedies. I said I would, but had no hope of recovery. But oh, what blessed relief I experienced after applying Cuticura Ointment. It cooled the bleeding and itching flesh and brought me the first real sleep I had had in weeks. It was as grateful as ice to a burning tongue. I would bathe with warm water and Cuticura Soap, then apply the Ointment freely. I also took Cuticura Resolvent for the blood. In a short time the sores stopped running, the flesh began to heal, and I knew I was to get well again. Then the hair on my head began to grow, and in a short time I was completely cured, I cannot praise Cuticura. My condition was so terrible that what cured me cannot fail to cure anybody of this awful disease. If any one doubts the truth of this letter, tell them to write to me. Mrs. Wm. Hunt, 135 Thomas St. Newark, N. J., Sept. 28, 1998."

CHINESE CONSUL IS ATTACKED BY PAPER

It is said that the Man Sang Yat Bo, the Chinese paper which is being sued by the Chinese Consul, Mr. Tseng Hai, for charging that he was arrested in a gambling raid in an upper Fort street house, is attacking the Consul in many ways in every issue. On every page is to be found an item against that of-

The paper states that the Chinese government intends to recall Tseng Hai and the result is that the articles are stirring up considerable agitation among the Chinese of this city. There is no likelihood of the Consul being recalled.

Honolulu is certainly conspicuous, as dozens of red lines converge at this port. No matter how one looks at the map, interest at once centers in Honoiulu, a litte trick of lines which Mr. Wood studied out carefully. The distances shown along the red lines were prepared by the Hydrographic Office at Washington.

GETS BABY'S PHOTO

On Monday the Advertiser published a story from the Hawaii Shinpo wherein a Japanese father, who recently lost his little baby girl by death, inquired for the person who took kodak snaps of Japanese children at Haleiwa while tha officers of the Japanese squadron were

visiting there.
The Hawaii Shinpo was notified that the pictures were taken by Mr. Stewart, who was here recently as the representative of the United Wireless Com-pany of San Francisco. Miss Dayton and copies of his pictures and has sent half a dozen to the bereaved father, who did not possess a picture of his little girl.

Captain Saunders Back.

Official information has been reselved to the effect that Captain Saundors will be in command of the Pa-cific Mail steamship Manchuria on her next voyage through this port from San Francisco. Captain Saunders was given a vacation on account of ill-health, according to one story, and was to be reinstated as soon as he had come back into his own. Another story, and the one which was given the greater credence, was to the effect that he had been discharged because of an alleged fracas which he had with the ship's surgeon in Orient. But now it is given out that Captain Saunders will command the vessel on her next voyage, and waterfronters will watch closely the bridge of the Manchuria when next she arthe well known figure is back in the old place.
